## M.D.A.A. - April 13th & 14th

What is M.D.A.A.? It's **AWESOME!!** Montana Dance Arts Association (M.D.A.A.) is a unique organization whose mission is to advance the art of dance for Montana students and educators by providing high quality training opportunities and dance experiences. ([www.montanadancearts.org](http://www.montanadancearts.org)) This committee of dance educators puts on two workshops each year, bringing in talent from across the country. These workshops are not only educational but incredibly inspiring! On top of that, the spring workshop holds an audition where dancers can earn scholarships to programs in & out of state. If you are interested in taking classes please let us know. It's a wonderful opportunity for all!
