## Student Recommendations:

Our lovely teachers are working really hard to write up recommendations for every student. This is an assessment of the level that your student has reached throughout the year. Recommendations help you decide what level and what genre is best for your student for the following year. You will receive your recommendations as well as a Season 19-20 class list before Pre-Registration.

## RECITAL REMINDERS

Our recital will be on these dates: June 17th, 18th, 19th, 20th at MCT. Your child will perform in the show on the night that they normally dance. If their class is on Monday, they perform on the 17th, etc. There will be a tech rehearsal during the day of each show. We are planning to have our **'Best Of Show on June 22nd**. We will have the Best Of numbers chosen before tickets go on sale.

## M.D.A.A. – April 13th & 14th

What is M.D.A.A.? It's awesome, that's what it is!! Montana Dance Arts Association (M.D.A.A.) is a unique organization whose mission is to advance the art of dance for Montana students and educators by providing high quality training opportunities and dance experiences. ([www.montanadancearts.org](http://www.montanadancearts.org)) This committee of dance educators puts on two workshops each year, bringing in talent from across the country to teach our dance youth. These workshops are not only educational but incredibly inspiring. On top of that, the spring workshop consists of an audition in which dancers can earn scholarships to programs in & out of state. If you are interested in taking classes or volunteering, please let us know. **Any student 9yrs or older can participate!!** It's an absolutely wonderful opportunity for all!
